Dear Commissioner:

We are enclosing for approval a new non-participating individual universal life insurance policy. This form replaces Policy 309-184 previously approved on 9/21/2009.

Policy Information

The enclosed policy form is a survivorship universal life product which provides the policyowner with the ability to choose a custom guarantee period based on their needs. This policy is available at issue ages 20-90. The minimum Base Policy Face Amount is \$250,000 and the maximum is the Corporation's Retention Limit. The policy uses the Cash Value Accumulation Test (CVAT) to qualify the policy as life insurance under Section 7702 of the Internal Revenue Code.

Cash values and maximum Cost of Insurance rates are based on the 2001 CSO Tables of Mortality, for issue ages 18 and over.

A guarantee period or Custom Guarantee Expiry Date between a minimum of 10 years up to the younger Insured's age 121 may be selected. To maintain the guarantee until the Custom Guarantee Expiry Date, the policyowner must pay the premiums as indicated in the Policy Data pages and not make changes to the policy. If premiums are not paid as scheduled or changes are made to the policy, the Custom Guarantee Expiry date will be recalculated. Until the Death Benefit of the policy is paid, the policy will not lapse as long as the Custom Guarantee Value is in effect. The Policy Data pages and in Section Seven of the policy form describe this benefit.

Intended Markets

These policies are intended for use in the general life insurance market on a sex-distinct basis and in the Tax-Qualified Retirement market sold under Sections 401(a) of the Internal Revenue Code on a unisex basis.

In the 401(a) market, the enclosed policy may be purchased by an employer or by a trust established by an employer for the purpose of providing a retirement benefit to its employees. When an SUL policy is issued in the 401(a) market, previously approved endorsement, form 8948-09 will be included in the policy.

Policy form 311-184 is primarily intended for use in the advanced life insurance markets to include estate planning, wealth transfer and business planning sales. We would also like to note that we have a Guaranty Notice and a Complaint Notice in place to be given to each policy holder.

POLICY INFORMATION FOR CUSTOM GUARANTEE BENEFIT

CUSTOM GUARANTEE BENEFIT

THE CUSTOM GUARANTEE BENEFIT IS A BASE POLICY BENEFIT THAT, WHILE IN EFFECT, WILL ENSURE THAT YOUR COVERAGE WILL CONTINUE, AND NOT ENTER THE LATE PERIOD, AS DESCRIBED IN SECTION 4.7 OF THE BASE POLICY, WHEN THE POLICY CASH SURRENDER VALUE IS INSUFFICIENT TO COVER THE MONTHLY DEDUCTIONS. ON EACH MONTHLY DEDUCTION DAY PRIOR TO THE CUSTOM GUARANTEE EXPIRY DATE, THE CUSTOM GUARANTEE BENEFIT WILL REMAIN IN EFFECT, UNLESS:

- THE CUSTOM GUARANTEE VALUE IS LESS THAN OR EQUAL TO ZERO, OR
- THERE IS AN UNPAID LOAN ON THE BASE POLICY THAT IS CAUSING THE CASH SURRENDER VALUE OF THE BASE POLICY TO BE INSUFFICIENT TO COVER THE MONTHLY DEDUCTION CHARGE.

IF THE CUSTOM GUARANTEE BENEFIT IS NOT IN EFFECT, THE BASE POLICY WILL ENTER THE LATE PERIOD IF THE POLICY CASH SURRENDER VALUE IS INSUFFICIENT TO COVER THE MONTHLY DEDUCTIONS. IF THE BASE POLICY ENDS AFTER ENTERING THE LATE PERIOD, THE BASE POLICY CAN BE REINSTATED FOR UP TO 5 YEARS FROM THE DATE THE BASE POLICY ENDS AS DESCRIBED IN SECTION 4.8 OF THE BASE POLICY. HOWEVER, THE CUSTOM GUARANTEE BENEFIT CANNOT BE REINSTATED UNLESS THE BASE POLICY AND THE CUSTOM GUARANTEE BENEFIT ARE REINSTATED WITHIN [60] DAYS OF THE BASE POLICY ENDING.

CUSTOM GUARANTEE EXPIRY DATE- [02/14/2097]

YOUR CUSTOM GUARANTEE EXPIRY DATE IS ONLY VALID WHEN YOUR CUSTOM GUARANTEE BENEFIT IS IN EFFECT. THE CUSTOM GUARANTEE BENEFIT WILL BE IN EFFECT UNTIL THE CUSTOM GUARANTEE EXPIRY DATE SHOWN ABOVE IF YOU:

- PAY, ON THE POLICY DATE, THE FIRST PLANNED [ANNUAL] PREMIUM AND ADDITIONAL FIRST YEAR PREMIUM,
- PAY SUBSEQUENT PLANNED [ANNUAL] PREMIUMS WHEN DUE FOR THE ENTIRE PLANNED [ANNUAL] PREMIUM PAYING PERIOD, AND
- MAKE NO BASE POLICY CHANGES.

THE CUSTOM GUARANTEE EXPIRY DATE IS CALCULATED AT ISSUE BASED ON THE AMOUNT AND INTERVALS OF PLANNED PREMIUMS SELECTED AND ANY ADDITIONAL FIRST YEAR PREMIUM TO BE PAID. IT WILL BE RECALCULATED IF THE FIRST PLANNED [ANNUAL] PREMIUM AND ANY ADDITIONAL FIRST YEAR PREMIUM ARE NOT PAID ON THE POLICY DATE, OR IF SUBSEQUENT PLANNED [ANNUAL] PREMIUMS ARE NOT PAID WHEN DUE OR IF POLICY CHANGES ARE MADE.

BASE POLICY CHANGES INCLUDE LOANS, PARTIAL SURRENDERS, REMOVAL OF ANY RIDERS, CLASS OF RISK CHANGES, CORRECTION OF ISSUE AGE OR GENDER, PAYMENT MODE CHANGES AND BASE POLICY FACE AMOUNT DECREASES. IN ADDITION, POLICY CHANGES MAY ALSO CHANGE THE ANNUAL THRESHOLD VALUE, DEFINED IN SECTION 7 OF THE BASE POLICY.

ADDITIONAL PREMIUMS MAY BE NECESSARY TO RESTORE THE CUSTOM GUARANTEE EXPIRY DATE TO THE DATE SHOWN IF YOU DO NOT PAY YOUR PREMIUMS OR IF YOU MAKE BASE POLICY CHANGES AS DESCRIBED ABOVE.

POLICY CHARGES FOR DETERMINING THE CUSTOM GUARANTEE VALUE

CUSTOM GUARANTEE VALUE

THE CUSTOM GUARANTEE VALUE IS A REFERENCE VALUE, WHICH IS CALCULATED IN A SIMILAR MANNER TO THE BASE POLICY'S CASH VALUE. IT IS USED TO DETERMINE IF THE CUSTOM GUARANTEE BENEFIT IS IN EFFECT, AND USES THE CHARGES DESCRIBED BELOW. THE CUSTOM GUARANTEE BENEFIT MONTHLY DEDUCTION CHARGE, DESCRIBED BELOW, WILL BE DEDUCTED FROM THE CUSTOM GUARANTEE VALUE ON EACH MONTHLY DEDUCTION DAY. IN THE FIRST POLICY YEAR, TABLE "A" GUARANTEED MAXIMUM MONTHLY COST OF INSURANCE RATES WILL BE DEDUCTED FROM THE CUSTOM GUARANTEE VALUE. ON EACH POLICY ANNIVERSARY THEREAFTER, IF THE CUSTOM GUARANTEE VALUE IS GREATER THAN ZERO, THEN TABLE "A" GUARANTEED MAXIMUM MONTHLY COST OF INSURANCE RATES WILL BE APPLICABLE. IF THE CUSTOM GUARANTEE VALUE IS EQUAL TO OR LESS THAN ZERO, THEN TABLE "B" GUARANTEED MAXIMUM MONTHLY COST OF INSURANCE RATES WILL BE APPLICABLE. ONCE THE TABLE IS DETERMINED ON THE POLICY ANNIVERSARY, THE TABLE WILL NOT CHANGE UNTIL THE NEXT POLICY ANNIVERSARY REGARDLESS OF THE CUSTOM GUARANTEE VALUE DURING THAT POLICY YEAR. REFER TO SECTION 7 FOR MORE INFORMATION.

ON EACH POLICY ANNIVERSARY, THE CUSTOM GUARANTEE VALUE IS ALSO COMPARED TO THE ANNUAL THRESHOLD VALUE FOR THE CORRESPONDING POLICY YEAR IN THE TABLE OF ANNUAL THRESHOLD VALUES FOR THE CUSTOM GUARANTEE BENEFIT SHOWN ON POLICY DATA PAGE 2-CGTV. IF THE CUSTOM GUARANTEE VALUE IS LESS THAN THE CORRESPONDING ANNUAL THRESHOLD VALUE, AN ADDITIONAL CUSTOM GUARANTEE BENEFIT MONTHLY PER \$1,000 OF BASE POLICY FACE AMOUNT CHARGE WILL BE DEDUCTED FROM THE CUSTOM GUARANTEE VALUE EACH MONTH UNTIL THE NEXT POLICY ANNIVERSARY WHEN THIS COMPARISON IS REPEATED. THIS CHARGE IS BASED ON THE INSURED'S ISSUE AGES, GENDERS AND CLASSES OF RISK, THE BASE POLICY FACE AMOUNT AND POLICY YEAR. REFER TO THE CUSTOM GUARANTEE BENEFIT MONTHLY DEDUCTION CHARGE INFORMATION BELOW FOR FURTHER DETAILS.

CUSTOM GUARANTEE BENEFIT MONTHLY DEDUCTION CHARGE

ON EACH MONTHLY DEDUCTION DAY, THE CUSTOM GUARANTEE BENEFIT MONTHLY DEDUCTION CHARGE THAT IS DEDUCTED FROM THE CUSTOM GUARANTEE VALUE CONSISTS OF:

- A MONTHLY COST OF INSURANCE AS DESCRIBED IN SECTION 7.7.
- A MONTHLY PER THOUSAND OF BASE POLICY FACE AMOUNT CHARGE, BASED ON THE INSURED'S ISSUE AGES, GENDERS AND CLASSES OF RISK, THE BASE POLICY FACE AMOUNT AND POLICY YEAR, NOT TO EXCEED THE CHARGES INDICATED IN THE TABLE ON POLICY DATA PAGE 2d-CG. THE POLICY YEARS FOR THIS CHARGE ARE MEASURED FROM THE POLICY DATE.
- THE MONTHLY COST FOR ANY RIDER (S) AS SHOWN ON THE DATA PAGES FOR SUCH RIDER (S).
- AN ADMINISTRATIVE FEE NOT TO EXCEED \$[10.00] PER MONTH
- AN ADDITIONAL CUSTOM GUARANTEE BENEFIT MONTHLY PER \$1,000 OF BASE POLICY FACE AMOUNT CHARGE IF REQUIRED AS DESCRIBED IN SECTION 7.9 OF THE BASE POLICY, BASED ON THE INSURED'S ISSUE AGES, GENDERS AND CLASSES OF RISK, THE BASE POLICY FACE AMOUNT AND POLICY YEAR NOT TO EXCEED THE CHARGES INDICATED IN THE TABLE ON POLICY DATA PAGE 2e-CG. THE POLICY YEARS FOR THIS CHARGE ARE MEASURED FROM THE POLICY DATE.

RIDERS OR ENDORSEMENTS
(IF ANY) - Attached to the Policy

SECTION ONE - LIFE INSURANCE BENEFITS

- 1.1 Life Insurance Proceeds** The amount of life insurance proceeds payable under this Base Policy consists of:

- The Life Insurance Benefit of this Base Policy, plus
- The death benefit payable of any riders in effect on the date of the last surviving Insured's death, less
- Any unpaid loan and accrued loan interest.

The Life Insurance Benefit of this Base Policy is the policy's Base Policy Face Amount shown on the Policy Information Policy Data Page 2a. It will also reflect any changes to the Base Policy Face Amount in accordance with the provisions of this Base Policy.

We will pay the life insurance proceeds to the beneficiary promptly when we have due proof that both Insureds died on or after the Effective Date of this Base Policy, subject to all of this Base Policy's provisions. A claim for the life insurance proceeds must be made in writing to our Service Office or any other location that we indicate to you in writing.

- 1.2 Life Insurance Benefit Option** The Life Insurance Benefit payable under this Base Policy is determined according to the rules for Life Insurance Benefit Option 1.

Option 1 provides a Life Insurance Benefit equal to the greater of the Base Policy Face Amount of the policy or a percentage of the Cash Value equal to the minimum necessary for this Base Policy to qualify as life insurance under Section 7702 of the Internal Revenue Code, as amended.

See Policy Data Page 2.2 for a table of the percentages referenced above.

SECTION TWO - OWNER AND BENEFICIARY

- 2.1 Owner** The owner of this Base Policy is shown on the Policy Information Policy Data Page 2a. In this policy, the words "you" and "your" refer to the owner.
- 2.2 Change Of Ownership** You can change the owner of this Base Policy in a form we provide. The form and any other requirements must be completed and signed by you. This change will take effect as of the date you signed the form, subject to any payment we made or action we took before recording the change. When this change takes effect, all rights of ownership will pass to the new owner. Changing the owner or successor owner cancels any prior choice of owner or successor owner, but does not change the beneficiary.
- 2.3 Successor Owner** A successor owner can be named in the application, or in a form we provide. The form and any other requirements must be completed and signed by you. If you die before the successor owner, the successor owner will become the new owner. If no successor owner survives you and you die before both Insureds, your estate becomes the new owner.
- 2.4 Beneficiary** The beneficiary for any life insurance proceeds is the person or entity named in the application, or in a notice you sign that gives us the information we need. If more than one beneficiary is named, they can be classed as first, second, and so on. If 2 or more are named in a class, their share in the proceeds is equal, unless you state otherwise. The stated shares will be paid to any first beneficiaries who survive both Insureds. If no first beneficiaries survive, payment will be made to any beneficiary surviving in the second class, and so on.

If no beneficiary for either all or part of the proceeds survives both Insureds, the right to those proceeds will pass to you. If you are deceased, this right will pass to your estate.

SECTION TWO - OWNER AND BENEFICIARY (Continued)

- 2.5 Change Of A Beneficiary** While at least one of the Insureds is living, you can change a beneficiary by notifying us in writing. The notice must clearly state the beneficiary designation, be signed by you, and include the policy number and the names of the Insureds. This change will take effect as of the date you signed the notice, subject to any payment we made or action we took before recording the change. For example, if we make any payment before we record the change, we will not have to make the payment again.
- 2.6 Simultaneous Death Of The Last Surviving Insured And Beneficiary** Unless stated otherwise in the Base Policy or in your signed notice that is in effect at the last surviving Insured's death, if any beneficiary dies at the same time as the last surviving Insured or within 15 days after that Insured but before we receive proof of the last surviving Insured's death, we will pay the proceeds as though that beneficiary died first.

SECTION THREE - FACE AMOUNT DECREASES

- 3.1 Face Amount Decreases** After the first Policy Year, you can apply in writing to decrease the Base Policy Face Amount. Changes can be made only while at least one of the Insureds is living, and only if this Base Policy would continue to qualify as Life Insurance as defined under Section 7702 of the Internal Revenue Code, as amended.

You can decrease the Base Policy Face Amount only once every 12 months, provided the new Base Policy Face Amount meets the minimum Base Policy Face Amount requirement shown in the Additional Policy Information section on Policy Data Page 2d. This decreased amount of insurance is a Base Policy Face Amount Decrease. Any Base Policy Face Amount Decrease will take effect on the Monthly Deduction Day on or next following the date we receive your signed request. You should consult your Tax Advisor regarding the tax consequences of decreasing the Base Policy Face Amount.

When the Base Policy Face Amount is decreased, we will deduct any applicable Surrender Charge from the Cash Value. The Surrender Charge deduction will be equal to the difference between the Surrender Charge immediately before the decrease and the Surrender Charge immediately after the decrease.

The Base Policy Face Amount Decrease will reduce the current Base Policy Face Amount. The Annual Threshold Value and the Custom Guarantee Expiry Date for the Custom Guarantee Benefit may change as a result of any Base Policy Face Amount Decrease. Please refer to Sections 7.8 and 7.10 for further details.

SECTION FOUR – PREMIUMS

- 4.1 Premium Payments** You can make premium payments at any interval or by any method we make available at any time before the Policy Anniversary on which the younger Insured is or would have been age 121, and while at least one of the Insureds is living. You can pay Planned, Unplanned and Additional First Year Premiums. See Sections 4.2, 4.3 and 4.4. Premiums are payable at our Service Office or at any other location that we indicate to you in writing. The Cash Value and Life Insurance Benefit under this Base Policy are based on the amount and interval of the premiums that have been received by us. Payment of premiums in the amount and intervals as indicated on the Policy Data pages will determine your Custom Guarantee Expiry Date. If you do not pay your Planned Premium as scheduled, or you do not pay your Additional First Year Premium on the Policy Date, you may have to pay additional premiums to restore your Custom Guarantee Expiry Date or to keep the Custom Guarantee Value greater than zero, as described in Section Seven – Custom Guarantee Benefit. Please refer to Section Five - Cash Value and Loans for additional details about the effect of loans on the Custom Guarantee Benefit.
- 4.2 Planned Premium** Planned Premium refers to the amount and frequency of premium payments you selected for your premium payment schedule. The amount and interval of any Planned Premiums, as stated in the application, are shown on the Premium Information Policy Data Page 2b. The first Planned Premium is due as of the Policy Date. A Planned Premium does not have to be paid to keep this Base Policy in effect provided either the Cash Surrender Value is sufficient to cover the charges made on the Monthly Deduction Day or the Custom Guarantee Benefit (as described in Section Seven) is in effect.

SECTION FOUR – PREMIUMS (Continued)

Changing the amount and frequency of any Planned Premium may result in changes to the Custom Guarantee Expiry Date. Any changes are subject to the limits we set. However, in no event can the Planned Premium be an amount that would jeopardize the Base Policy continuing to qualify as Life Insurance, as defined under Section 7702 of the Internal Revenue Code, as amended (See Section 4.5). Planned Premiums cannot be paid on or after the Policy Anniversary on which the younger Insured is or would have been age 121.

4.3 Unplanned Premiums Unplanned Premiums are premium payments, other than Additional First Year Premium as described in Section 4.4 below, you can make in addition to or in place of a Planned Premium. You can make an Unplanned Premium payment up to 12 times per policy year provided the Unplanned Premium payment is at least \$50. It cannot be an amount that would jeopardize the Base Policy continuing to qualify as Life Insurance as defined under Section 7702 of the Internal Revenue Code, as amended. This limitation is further described in Section 4.5 below. At least one of the Insureds must be living and payment must be made prior to the Policy Anniversary on which the younger Insured is or would have been age 121. If an Unplanned Premium payment would result in an increase in the Life Insurance Benefit greater than the increase in the Cash Value, we will require proof of insurability before accepting that payment and applying it to the policy. Both Insureds must be alive for such a payment to be accepted. A written application will be required and a copy of the application will be placed in the policy and made a part of it. Any unplanned payment not specifically designated as an Unplanned Premium payment or a loan repayment will be credited to the policy as an Unplanned Premium.

4.4 Additional First Year Premium Additional First Year Premium is premium you plan to pay in the first policy year that is in addition to your Planned Premium shown on the Premium Information Policy Data Page 2b. The Additional First Year Premium is payable on the Policy Date. It cannot be an amount that would jeopardize the policy continuing to qualify as Life Insurance as defined under Section 7702 of the Internal Revenue Code, as amended. This limitation is further described in Section 4.5 below.

The Custom Guarantee Expiry Date shown on the Policy Information For Custom Guarantee Benefit Policy Data Page is calculated assuming that this premium is paid on the Policy Date. If we do not receive the Additional First Year Premium on the Policy Date, the Custom Guarantee Expiry Date can change. To inform you of a change, we will mail a notice to you at your last known address. We will also mail a copy of the notice to the last known address of any assignee on our records.

4.5 Premium Payment Limitations In addition to the limits described in Sections 4.1, 4.2, 4.3 and 4.4, premium payments are also limited by the premium test for this Base Policy. The premium test is used to determine whether an insurance policy meets the definition of life insurance under the Cash Value Accumulation Test (or CVAT) of Section 7702 of the Internal Revenue Code, as amended.

4.6 Premium Expense Charge A Premium Expense Charge is deducted from each Planned, Unplanned and Additional First Year Premium when that payment is received. This charge will not exceed the percentage(s) shown in the Premium Expense Charge section of the Policy Charges For Base Policy Data Page 2c.

4.7 Late Period If, on a Monthly Deduction Day, the Custom Guarantee Benefit is not in effect, and the Cash Surrender Value is less than the Monthly Deduction Charge for the next policy month, the policy will continue for a Late Period of 62 days after that Monthly Deduction Day. To prevent the Base Policy from ending, you will be required to make a premium payment that equals the lesser of:

- (1) the amount required to keep the Custom Guarantee Value greater than zero for 2 months, or
- (2) a payment that is sufficient to keep this Base Policy in effect for at least 2 months.

If we do not receive payment before the end of the Late Period, the Base Policy will end and there will be no more benefits under the Base Policy or any attached riders. To inform you of this event, we will mail a notice to you at your last known address at least 31 days before the end of the Late Period. We will also mail a copy of the notice to the last known address of any assignee on our records.

If the last surviving Insured dies during the Late Period, we will pay the life insurance proceeds to the beneficiary. These proceeds will be reduced by the amount of any unpaid loan and accrued loan interest. They will also be reduced by the Monthly Deduction Charges for the full policy month or months that run from the beginning of the Late Period through the policy month in which the last surviving Insured died.

SECTION FOUR – PREMIUMS (Continued)

- 4.8 Reinstatement** Within 5 years after this Base Policy has ended, you can apply, in writing, to reinstate the Base Policy (and any other benefits provided by riders) if you did not surrender it. However, this Base Policy can only be reinstated if either: (a) both Insureds are alive; or (b) one Insured is alive and the Base Policy ended after the death of the other Insured. If the required payment is made within 31 days after the end of the Late Period, no proof of insurability is required. If not, when you apply for reinstatement, you must provide proof of insurability that is acceptable to us. A written application will be required and a copy of the application will be placed in the policy and made a part of it.

To reinstate this Base Policy, a payment that is sufficient to keep this Base Policy in effect for at least 2 months must be made. This payment will be in lieu of the payment of all premiums in arrears. If this Base Policy is reinstated, we will reinstate the Cash Value and the Surrender Charge corresponding to the date of reinstatement, less any unpaid loan if not repaid. The Table of Maximum Surrender Charges and the Surrender Charge that are applicable at the time of reinstatement will be the same as they would have been had the Base Policy not lapsed. Any unpaid loan can also be repaid, together with loan interest at the current loan interest rate compounded once each year from the end of the Late Period to the date of reinstatement.

However, the Custom Guarantee Benefit can only be reinstated if payment in an amount that is sufficient to keep the Custom Guarantee Value greater than zero is made within the time indicated on the Policy Information For Custom Guarantee Benefit Policy Data Page 2a-CG. To reinstate the Custom Guarantee Benefit, you will be required to pay any past due Custom Guarantee Benefit Monthly Deduction charges and make a premium payment that is sufficient to keep the Custom Guarantee Value greater than zero for at least 2 months. If the premium payment made is not sufficient to keep the Custom Guarantee Value greater than zero for at least 2 months, the Custom Guarantee Benefit will not be reinstated. If the required payment is not made within the time indicated on the Policy Information For Custom Guarantee Benefit Policy Data Page 2a-CG, the Custom Guarantee Benefit can no longer be reinstated.

The date of reinstatement is the Monthly Deduction Day on or next following the date we approve your signed request for reinstatement.

SECTION FIVE - CASH VALUE AND LOANS

- 5.1 Cash Value** On the Policy Date, the Cash Value is determined by subtracting the Monthly Deduction Charge and the Premium Expense Charge from the first premium paid, if the first premium was paid by the Policy Date.

On each Monthly Deduction Day after the Policy Date, the Cash Value is determined as follows:

- (1) From the Cash Value as of the prior Monthly Deduction Day, subtract any partial Cash Surrender Value benefits paid, less any service or other charges made since that day.
- (2) Add all premium payments received since the prior Monthly Deduction Day less any Premium Expense Charge.
- (3) Add to this sum any interest credited for the prior month.
- (4) Subtract the Monthly Deduction Charge.

On any other day, the Cash Value is determined as follows:

- (1) From the Cash Value, as of the prior Monthly Deduction Day, subtract any partial Cash Surrender Value benefits paid, less any service or other charges made since that day.
- (2) Add all premium payments received since the prior Monthly Deduction Day, less any Premium Expense Charge.
- (3) Add to this sum any interest credited to the Cash Value for the number of days since the prior Monthly Deduction Day.

- 5.2 Interest Crediting** Interest is credited to the Cash Value. This interest is based on a rate of interest that we declare periodically. Such rate will be declared at least once annually and will never be less than the guaranteed rate shown on the Interest and Loans For The Base Policy Policy Data Page 2d.

We begin crediting interest on any premium payment, after deducting the applicable Premium Expense Charge, on the date that the premium payment is received by our Service Office.

SECTION FIVE - CASH VALUE AND LOANS (Continued)

- 5.3 Full Surrender** When this Base Policy has Cash Value, and while at least one of the Insureds is living, you can surrender it for the Cash Surrender Value. The Cash Surrender Value is equal to the Cash Value less any Surrender Charges that may apply, less any unpaid loan and accrued loan interest. A Table of Maximum Surrender Charges is shown on Policy Data Page 2.1. The Cash Value, Surrender Charges and Cash Surrender Value will be calculated as of the date on which we receive your signed request. All insurance will end on the date we receive your surrender request.

It may happen that a premium payment is paid after a Monthly Deduction Day and we then receive your signed request for surrender proceeds before the next Monthly Deduction Day. In this case, that premium payment will be included as part of the surrender proceeds.

- 5.4 Partial Surrender** Once per Policy Year, you can request a partial surrender by sending us your signed request at our Service Office. This request must be received while at least one of the Insureds is living. The lesser of \$500 of Cash Surrender Value or an amount equal to 2 Monthly Deduction Charges must remain after we pay the surrender amount. The minimum and maximum partial surrender amounts are shown in the Additional Policy Information section on Policy Data Page 2d.

When you take a partial surrender, the Cash Value and Cash Surrender Value will be reduced by the amount of the surrender. The partial surrender will also reduce the Custom Guarantee Value, and may change the Custom Guarantee Expiry Date. Please refer to Section Seven of this policy for further details.

The Base Policy Face Amount will be reduced by the difference between:

- (a) the amount of the surrender; and
- (b) the greater of:
 - (i) the Cash Value of the Base Policy immediately prior to the surrender, minus the Base Policy Face Amount divided by the applicable percentage, as shown on Policy Data page 2.2. or
 - (ii) zero.

If the difference between (a) and (b) is zero or a negative amount, there will be no adjustment in the Base Policy Face Amount.

Any decrease in Base Policy Face Amount caused by payment of a partial surrender will be applied against the current Base Policy Face Amount. If a partial surrender would cause the Base Policy Face Amount to drop below our minimum face amount requirement, we reserve the right to require a full surrender. The amount of the minimum Base Policy Face Amount is shown in the Additional Policy Information section on Policy Data Page 2d.

Proceeds from a partial surrender will be determined as of the date we receive your signed request at our Service Office in any method acceptable to us.

- 5.5 Surrender Charge** For the number of years shown on Policy Data Page 2.1, a Surrender Charge will be deducted from the Cash Value when there is a full surrender and any time the Base Policy Face Amount is changed, whether due to a partial surrender of the Cash Surrender Value or requested changes in the Base Policy Face Amount. The Surrender Charge applied will be based on a percentage of the Surrender Charge Premium and will never be more than the maximum charges shown in the Table of Maximum Surrender Charges on Policy Data Page 2.1.

- 5.6 Loan Value** You can borrow any amount up to the loan value of this policy using this policy as sole security. The loan value on any given date is equal to the Cash Surrender Value, less one Monthly Deduction Charge, and less loan interest on the new loan and any unpaid loans to the next Monthly Deduction Day. You may wish to consult your tax advisor prior to taking a loan under this policy.

Loans can affect the Custom Guarantee Benefit of the Base Policy. Please refer to Section Seven of this policy for further details.

SECTION FIVE - CASH VALUE AND LOANS (Continued)

5.7 Loan Interest Loan interest accrues each day and is payable on the anniversary, the date of death of the last surviving Insured, the date of surrender, the date the policy ends, or on the date of a loan increase or loan repayment and any other date we specify. Loan interest not paid when due will become part of the loan and will also bear interest.

5.8 Loan Interest Rate Unless we set a lower rate for any period, the effective annual loan interest rate is 6%, which is payable in arrears. Loan interest for the policy year in which a loan is taken will be due on the next policy anniversary. We will determine this rate at least once every 12 months, but not more frequently than once in any 3 month period.

If we have set a rate lower than 6% per year, any subsequent increase in the interest rate will be subject to the following conditions:

- (1) The effective date of any increase in the interest rate shall not be earlier than one year after the effective date of the establishment of the previous rate.
- (2) The amount by which the interest rate can be increased will not exceed one percent per year, but the rate of interest shall in no event ever exceed 6%.
- (3) We will give notice of the interest rate in effect when a loan is made and when sending notice of loan interest due.
- (4) If a loan is outstanding 40 days or more before the effective date of an increase in the interest rate, we will notify you of that increase at least 30 days prior to the effective date of the increase.
- (5) We will give notice of any increase in the interest rate when a loan is made during the 40 days before the effective date of the increase.

This policy will not lapse in a given policy year solely as a result of a change in the loan interest rate during that policy year.

5.9 Loan Repayments All or part of an unpaid loan and accrued loan interest can be repaid before the last surviving Insured's death or before we pay the full Cash Surrender Value benefit. We will deduct any unpaid loan and accrued loan interest when Life Insurance Benefit or full Cash Surrender Value proceeds are paid. A payment not designated as a loan repayment will not be credited to the Base Policy as a loan repayment.

If a loan is outstanding when full Cash Surrender Value proceeds are paid, the Cash Surrender Value reflects a deduction of any outstanding policy loan and accrued loan interest. It may happen in a given policy year that, based on the loan interest rate in effect when that year began (ignoring any subsequent increase in the rate during that year), any unpaid loan plus accrued loan interest exceeds the Cash Value of this Base Policy less Surrender Charges. In that event, we will mail a notice to you at your last known address. We will also mail a copy of the notice to the last known address of any assignee on our records. If the excess of the unpaid loan plus accrued loan interest in excess of the Cash Value less Surrender Charges is not paid within that 31 days, all insurance will end 31 days after the date on which we mail that notice to you.

However, if a higher loan interest rate or rates take effect during the policy year, this Base Policy will not end any sooner than it would have if the rate had not changed.

In instances where there is an unpaid loan on the Base Policy that is causing the Cash Surrender Value on a Monthly Deduction Day to be insufficient to cover the Monthly Deduction Charge, the Custom Guarantee Benefit is not available to prevent the Base Policy from entering the Late Period, as described in Section 4.7.

5.10 Loan and Surrender Payment Deferral We can defer paying you any partial or full Cash Surrender Value benefits, or defer any loan proceeds except to pay a premium due us, for up to 6 months from the date we receive your request. Interest will be paid on any amount deferred beyond that date. We will set the interest rate to a rate that will not be less than required by law.

SECTION SIX – CALCULATION OF MONTHLY DEDUCTION CHARGE

6.1 Monthly Deduction Charge On each Monthly Deduction Day, the following deductions are made:

- (a) the monthly Cost of Insurance for this Base Policy;
- (b) any applicable Base Policy administrative fee;
- (c) a monthly per thousand Base Policy Face Amount charge ;
- (d) the monthly cost for any riders attached to this Base Policy.

Additional details regarding the specific Monthly Deduction Charges that apply to this Base Policy and any rider(s) attached to this Base Policy are shown on the Policy Charges Policy Data Page or the applicable Rider Data Pages, respectively.

In some cases, an extra deduction may be required due to an Insured's circumstances, including but not limited to their medical condition, occupation, motor vehicle or aviation record. These deductions are referred to as flat extras. The amount and duration of these flat extras, if any, are shown in a footnote on the Policy Data pages.

The Monthly Deduction Day for this policy is shown on the Policy Charges For Base Policy Data Page. The first Monthly Deduction Day is the Issue Date of the Base Policy. If the Issue Date and the Policy Date of the Base Policy are different, deductions made on the Issue Date will include the monthly deductions that would have been made on each Monthly Deduction Day for the period from the Policy Date to the Issue Date, as if the Base Policy were issued on the Policy Date.

When the Custom Guarantee Benefit is in effect, the Monthly Deduction Charge will not exceed the Cash Value.

6.2 Cost Of Insurance Calculation The Cost of Insurance is calculated each month on each Monthly Deduction Day. We do this even if a premium payment is not made in that month. The monthly Cost of Insurance for the amount of insurance is equal to (1) multiplied by the result of (2) minus (3), where:

- (1) is the monthly Cost of Insurance rate per \$1,000 of net amount at risk;
- (2) is the number of thousands of Life Insurance Benefit (as defined in Section One) divided by the Life Insurance Benefit Discount Factor shown on the Additional Policy Information section of the Policy Data Page 2d; and
- (3) is the number of thousands of Cash Value as of the Monthly Deduction Day (before this Cost of Insurance and the monthly cost of any Monthly Deduction Waiver rider, and after any applicable administrative fee and the monthly cost of any other riders, are subtracted).

The Net Amount at Risk is (2) minus (3).

6.3 Cost Of Insurance Rate The rates used to calculate the Cost of Insurance for the Base Policy Face Amount are based on the Insureds' ages, genders, and classes of risk at the time of issue, and based on future expectations for investment earnings, mortality, persistency, taxes and expenses. The rates will be in accordance with the procedures and standards on file with the insurance department in the state or district in which this policy is delivered.

The monthly rates that apply to the Cost of Insurance for the Base Policy Face Amount at all ages will not be greater than the maximum rates shown in the Table of Guaranteed Maximum Monthly Cost of Insurance Rates attached to this Base Policy. The actual rate will be set by us, in advance, at least once a year. Any change in the Cost of Insurance rate will be on a uniform basis for Insureds of the same classification, such as attained age, gender and class of risk. Any change in these rates will be based on future expectations for investment earnings, mortality, persistency, taxes and expenses.

6.4 Monthly Per Thousand Of Base Policy Face Amount Charge The Monthly Per Thousand of Base Policy Face Amount Charge for the Base Policy Face Amount varies by duration and is based on the Insureds' ages, genders, and classes of risk at the time of issue.

SECTION SIX – CALCULATION OF MONTHLY DEDUCTION CHARGE (Continued)

- 6.5 Monthly Per Thousand Of Base Policy Face Amount Charge Calculation** The Monthly Per Thousand of Base Policy Face Amount Charge is calculated each month on each Monthly Deduction Day. We do this even if a premium payment is not made in that month.

The Monthly Per Thousand of Base Policy Face Amount Charge is calculated for the Base Policy Face Amount of insurance by multiplying the Per \$1000 Charge for the appropriate year by the number of thousands of the Base Policy Face Amount. The applicable Per \$1000 Charge for any policy year will not be greater than the maximum rate shown on the Policy Charges For Base Policy Data Page 2c .

- 6.6 Monthly Rider Costs** The monthly cost of any rider attached to this policy is described on the Rider Data pages for such rider(s).

SECTION SEVEN - CUSTOM GUARANTEE BENEFIT

- 7.1 Custom Guarantee Benefit** This Base Policy provides a Custom Guarantee Benefit, subject to the terms and conditions stated herein. We guarantee that while the Custom Guarantee Benefit is in effect, the policy will not enter the Late Period even if the Base Policy's Cash Surrender Value is insufficient to cover the current Monthly Deduction Charges as defined in the Base Policy.

On each Monthly Deduction Day prior to the Custom Guarantee Expiry Date, the Custom Guarantee Benefit will remain in effect, unless:

1. The Custom Guarantee Value is less than or equal to zero; or
2. There is an unpaid loan on the Base Policy that is causing the Cash Surrender Value of the Base Policy to be insufficient to cover the Monthly Deduction Charge.

If, on a Monthly Deduction Day, there is insufficient Cash Surrender Value to cover the Monthly Deduction Charge, and the Custom Guarantee Benefit is in effect, the Base Policy will not enter the Late Period. Instead, we will deduct as much of the Monthly Deduction Charge as possible from the Base Policy's Cash Value. Any charges not covered by the Cash Value on a Monthly Deduction Day will be waived.

However, if, on a Monthly Deduction Day, there is insufficient Cash Surrender Value to cover the Monthly Deduction Charge, and the Custom Guarantee Benefit is not in effect, the Base Policy will enter the Late Period as described in Section 4.7.

Your Custom Guarantee Expiry Date is only valid if your Custom Guarantee Benefit is in effect. The Custom Guarantee Expiry Date is the date your Custom Guarantee Benefit is projected to end based on your current Custom Guarantee Value, assuming you make all premium payments as described on the Policy Data pages and make no Base Policy changes. This date is indicated on the Policy Information For Custom Guarantee Benefit Data Page 2a-CG. Refer to Section 7.10 for information about changes to the Custom Guarantee Expiry Date.

- 7.2 Custom Guarantee Value** The Custom Guarantee Value is a reference value that is used to determine if the Custom Guarantee Benefit is in effect on each Monthly Deduction Day, as described in Section 7.1. The Custom Guarantee Value is calculated in a similar manner to the Base Policy's Cash Value. It is not used to calculate policy values, and it is not available for monthly deductions, loans or partial or full surrenders. On each Monthly Deduction Day, charges will be deducted from the Custom Guarantee Value as described in Section 7.5.

- 7.3 Custom Guarantee Value Monthly Deduction Day Processing** The Custom Guarantee Value is calculated using the Custom Guarantee Monthly Deduction Charges and the Custom Guarantee Value Interest Crediting Rates that are indicated on Policy Data Pages 2d-CG, 2e-CG and 2h-CG.

On the Policy Date, the Custom Guarantee Value is equal to the premiums paid minus the Custom Guarantee Benefit Premium Expense Charge and the first Custom Guarantee Benefit Monthly Deduction Charge.

SECTION SEVEN - CUSTOM GUARANTEE BENEFIT (Continued)

On each Monthly Deduction Day after the Policy Date the Custom Guarantee Value will be determined as follows:

- (1) From the Custom Guarantee Value as of the prior Monthly Deduction Day, subtract
 - (a) Any partial Cash Surrender Value benefits paid since the prior Monthly Deduction Day divided by (1 minus the Custom Guarantee Benefit Premium Expense Charge in effect when the benefits were paid), and
 - (b) Any service charges or other charges made since that day.
- (2) Add all premium payments received since the prior Monthly Deduction Day through the end of the day immediately preceding the current Monthly Deduction Day less any Custom Guarantee Benefit Premium Expense Charge.
- (3) Add to this sum any interest credited for the prior month at the Custom Guarantee Benefit Interest Crediting Rate, as described in Section 7.6 herein.
- (4) Add any premium payment received on the current Monthly Deduction Day less any Custom Guarantee Benefit Premium Expense Charge.
- (5) Subtract the Custom Guarantee Benefit Monthly Deduction Charge, as described in Section 7.5 herein.

7.4 Determining if the Custom Guarantee Benefit is in Effect On the Policy Date the Custom Guarantee Benefit is in effect if the Custom Guarantee Value is greater than zero. On the Policy Date, the Custom Guarantee Value is equal to the premiums paid minus the Custom Guarantee Benefit Premium Expense Charge and the first Custom Guarantee Benefit Monthly Deduction Charge.

On each Monthly Deduction Day after the Policy Date, the Custom Guarantee Benefit is in effect if the Custom Guarantee Value calculated as the result of steps (1) through (3) in Section 7.3 is greater than zero, unless there is an unpaid loan on the Base Policy that is causing the Cash Surrender Value of the Base Policy to be insufficient to cover the Monthly Deduction Charge.

7.5 Custom Guarantee Benefit Monthly Deduction Charge On each Monthly Deduction Day, the following deductions are made from the Custom Guarantee Value:

- (a) The monthly Custom Guarantee Benefit Cost of Insurance;
- (b) An administrative fee;
- (c) A Custom Guarantee Benefit Monthly Per \$1,000 of Base Policy Face Amount Charge;
- (d) If required as described in Section 7.9 of this Base Policy, the Additional Custom Guarantee Benefit Monthly Per \$1,000 of Base Policy Face Amount Charge;
- (e) The Custom Guarantee Benefit monthly cost for any riders attached to this Base Policy.

The schedule of charges and interest crediting rates used in determining the Custom Guarantee Value are indicated on Policy Data Pages 2d-CG, 2e-CG and 2h-CG.

The Guaranteed Maximum Monthly Cost of Insurance rates for the Custom Guarantee Benefit applicable to the Custom Guarantee Value calculation vary by the Insureds' ages, genders and classes of risk, and policy year. These guaranteed rates are shown on Policy Data pages as Table "A" Guaranteed Maximum Monthly Cost Of Insurance Rates for the Custom Guarantee Benefit, and Table "B" Guaranteed Maximum Monthly Cost Of Insurance Rates for the Custom Guarantee Benefit. Section 7.7 describes which of these two tables will apply and when.

In some cases, an extra deduction may be required due to an Insured's circumstances, including but not limited to their medical condition, occupation, motor vehicle or aviation record. These deductions are referred to as flat extras. The amount and duration of these flat extras, if any, are shown in a footnote on the Policy Data pages.

SECTION SEVEN - CUSTOM GUARANTEE BENEFIT (Continued)

The Monthly Deduction Day for this Base Policy is shown on the Policy Charges For Base Policy Data Page. The first Monthly Deduction Day is the Issue Date of the Base Policy. If the Issue Date and the Policy Date of the Base Policy are different, deductions made on the Issue Date will include the monthly deductions that would have been made on each Monthly Deduction Day for the period from the Policy Date to the Issue Date, as if the Base Policy were issued on the Policy Date.

- 7.6 Custom Guarantee Value Interest Crediting** Interest is credited to the Custom Guarantee Value. The Custom Guarantee Benefit Interest Crediting Rate is shown on Policy Data Page 2h-CG. When calculating the Custom Guarantee Value we begin crediting interest on any premium payment, after deducting the applicable Custom Guarantee Benefit Premium Expense Charge, on the date that the premium payment is received by our Service Office. If payment is received between Monthly Deduction Days, interest is credited as if the payment had been received on the earlier Monthly Deduction Day.
- 7.7 Determining the Table of Guaranteed Maximum Monthly Cost of Insurance Rates** In the first Policy Year, Table "A" Guaranteed Maximum Monthly Cost of Insurance Rates are used to calculate the Custom Guarantee Value. After the first Policy Year, on each Policy Anniversary, if the Custom Guarantee Value is greater than zero, then Table "A" Guaranteed Maximum Monthly Cost of Insurance rates will be applicable until the next Policy Anniversary. If the Custom Guarantee Value is equal to or less than zero, then Table "B" Guaranteed Maximum Monthly Cost of Insurance rates will be applicable until the next Policy Anniversary.

Once the Guaranteed Maximum Monthly Cost of Insurance Rates Table is determined on a Policy Anniversary, the table will not change until the next Policy Anniversary regardless of the Custom Guarantee Value during that policy year.

- 7.8 The Annual Threshold Value** The Annual Threshold Value is a value established at issue, and a Table of Annual Threshold Values is shown on Policy Data Page 2-CGTV. This Annual Threshold Value is used to determine if an Additional Custom Guarantee Benefit Monthly Per \$1,000 of Base Policy Face Amount Charge will be deducted from the Custom Guarantee Value as described in Section 7.9.

The Annual Threshold Value is based on the Insureds' ages, genders and classes of risk, the Base Policy Face Amount, the benefits provided by any riders attached to this Base Policy and Policy Year. It is recalculated if you change your Base Policy Face Amount, change the class of risk, correct the issue age or gender or remove any riders. If it is recalculated, we will mail a Policy Data page that includes the new Table of Annual Threshold Values to you at your last known address. We will also mail a copy of the Policy Data page to the last known address of any assignee on our records.

- 7.9 Determining If An Additional Custom Guarantee Benefit Monthly Per \$1,000 of Base Policy Face Amount Charge Will Be Deducted From The Custom Guarantee Value** After the first Policy Year, on each Policy Anniversary for the Policy Years indicated on the "Table Of Annual Threshold Values For the Custom Guarantee Benefit" Policy Data Page 2-CGTV, we determine if an Additional Custom Guarantee Benefit Monthly Per \$1,000 of Base Policy Face Amount Charge will be deducted from the Custom Guarantee Value on each Monthly Deduction Day until the next Policy Anniversary by comparing the Custom Guarantee Value calculated as the result of steps (1) through (3) in Section 7.3, herein, to the Annual Threshold Value shown on Policy Data Page 2-CGTV for the corresponding Policy Year. If this value is less than the Annual Threshold Value for the corresponding Policy Year, an Additional Custom Guarantee Benefit Monthly Per \$1,000 of Base Policy Face Amount Charge will be deducted from the Custom Guarantee Value on each Monthly Deduction Day until the next Policy Anniversary. This charge will not exceed the amount shown on Policy Data Page 2e-CG.

SECTION SEVEN - CUSTOM GUARANTEE BENEFIT (Continued)

- 7.10 Changes To The Custom Guarantee Expiry Date** If your Custom Guarantee Benefit is in effect, and premiums are not paid as indicated on the Policy Data pages, or you change your Base Policy in any way including, but not limited to, changing your Base Policy Face Amount, or taking a partial surrender, the Custom Guarantee Expiry Date for your Custom Guarantee Benefit will be recalculated.

While your Custom Guarantee Benefit is in effect, each year we will mail a notice to you at your last known address advising you of your Custom Guarantee Expiry Date based on your current Custom Guarantee Value, and assuming that you will continue to pay all future Planned Premiums when due and make no policy changes.

- 7.11 Reinstating The Custom Guarantee Benefit** Your Base Policy provides an important Custom Guarantee Benefit, which can ensure that your coverage will continue even if the Cash Surrender Value is insufficient to cover the monthly deduction charges.

The Custom Guarantee Benefit will not be in effect if, on a Monthly Deduction Day, the Custom Guarantee Value is less than or equal to zero. You can reinstate the Custom Guarantee Benefit by making additional premium payments sufficient to keep the Custom Guarantee Value greater than zero. In addition, the Custom Guarantee Benefit will not be in effect even if your Custom Guarantee Value is greater than zero if, on a Monthly Deduction Day, there is an unpaid loan on the Base Policy that is causing the Cash Surrender Value of the Base Policy to be insufficient to cover the Monthly Deduction Charge. To reinstate your Custom Guarantee Benefit and to keep your Base Policy from entering the Late Period in this situation, you should repay a sufficient portion of your loan to cover the cost of your Base Policy's Monthly Deduction Charge.

To inform you of these events, we will mail a notice to you at your last known address. We will also mail a copy of the notice to the last known address of any assignee on our records. Your payment must be received by us by the end of the Late Period described in Section 4.7. If the Base Policy has ended, the Custom Guarantee Benefit can only be reinstated as described on Policy Data Page 2a-CG and in Section 4.8.

- 7.12 Custom Guarantee Benefit Cost Of Insurance Calculation** The Custom Guarantee Benefit Cost of Insurance is calculated each month on each Monthly Deduction Day. We do this even if a premium payment is not made in that month. The monthly Custom Guarantee Benefit Cost of Insurance for the amount of insurance is equal to (1) multiplied by the result of (2) minus (3), where:

- (1) is the monthly Custom Guarantee Benefit Cost of Insurance rate per \$1,000 of net amount at risk;
- (2) is the number of thousands of Life Insurance Benefit as defined in Section One divided by the Life Insurance Benefit Discount Factor shown on the Additional Policy Information section of Policy Data Page 2d; and
- (3) is the number of thousands of Custom Guarantee Value as of the Monthly Deduction Day before this Custom Guarantee Benefit Cost of Insurance, and after any applicable Custom Guarantee Benefit administrative fee and the Custom Guarantee Benefit monthly cost of any other riders, are subtracted.

The Custom Guarantee Benefit Net Amount at Risk is (2) minus (3).

SECTION EIGHT - PAYMENT OF POLICY PROCEEDS

- 8.1 Payment Of Policy Proceeds** The proceeds of this Base Policy will be paid in one sum. Such life insurance proceeds will bear interest computed daily from the date of the last surviving Insured's death to the date of payment. We set the interest rate each year. This rate will not be less than the rate required by law.

SECTION NINE - GENERAL PROVISIONS

- 9.1 Entire Contract** The entire contract consists of this Base Policy, any attached riders or endorsements, and the attached copy of the application. Also, any application used to modify this Base Policy, (including but not limited to a request for a Base Policy Face Amount Decrease, or required under the terms of Section 4.3 or Section 4.8 of this policy) will be attached to and made a part of this Base Policy. Only our Chairman, President, Secretary, or one of our Vice Presidents is authorized to change the contract, and then, only in writing. No change will be made to this contract without your consent. No agent is authorized to change this contract.
- 9.2 Information Provided In The Application** In issuing this Base Policy, we have relied on the statements made in the application. All such statements are deemed to be representations and not warranties. We assume these statements are true and complete to the best of the knowledge and belief of those who made them. No statement made in connection with the application will be used by us to void this Base Policy unless that statement is a material misrepresentation and is part of the application.
- 9.3 Contestable Period** We will not contest this Base Policy, based on the Initial Base Policy Face Amount, after this policy has been in effect during the lifetime of the Insureds for 2 years from the Issue Date. Our right to contest beyond this 2 years period is limited to the Insured(s) who died during such period. The policy is incontestable with respect to the Insured(s) who survived the 2 year period.

It may happen that an Unplanned Premium payment is made that results in an increase in the life insurance benefit as described in Section Four – Premiums. In this case, the 2 year contestable period for each increase in life insurance benefit resulting from an Unplanned Premium payment will begin on the effective date of such payment. We can contest only on the basis of those statements made in the application for such Unplanned Premium payment.

We will not contest the payment of any life insurance proceeds attributable to the difference in rates due to a reclassification after such reclassification has been in effect for 2 years from the effective date of a reclassification during the lifetime of each Insured. We will require evidence of insurability in cases of reclassification.

If this Base Policy ends, and is reinstated, we will not contest this Base Policy after it has been in effect during the lifetime of each Insured for 2 years from the date of reinstatement.

- 9.4 Suicide Exclusion** In the event of the suicide of the first of the Insureds to die, while sane or insane, within 2 years of the Issue Date, the Base Policy will continue in effect on the last surviving Insured. Suicide of both Insureds at the same time or of the last surviving Insured, while sane or insane, within 2 years of the Issue Date is not covered by this Base Policy. In that event, this Base Policy will end and the only amount payable will be the premiums paid to us, less any unpaid loan and accrued loan interest and any partial surrender benefits paid.
- 9.5 Policy Date** The Policy Date is the date from which premiums and charges are calculated and become due. Except for the first Monthly Deduction Day, which is described in Section 5.1, the Monthly Deduction Day for this Base Policy will be the same calendar day each month, as determined by the Policy Date. The Policy Date is also the date from which policy years, months and anniversaries are measured, unless otherwise stated.

Unless another date is chosen, as described below, the Policy Date is determined as follows:

- (1) If you paid the initial premium with your application and obtained a temporary coverage agreement, the Policy Date will be the date of the temporary coverage agreement;
- (2) If you did not pay the initial premium and therefore no temporary coverage agreement was obtained, the Policy Date will be the date the Base Policy is issued by the Company for delivery, known as the Issue Date.

Both the Policy Date and the Issue Date are shown on the Policy Information Policy Data Page 2a. If the Base Policy was issued prior to the date you paid your first premium, the Policy Date will be earlier than the Effective Date. The Policy Date can be chosen to correspond to the definition of the Effective Date, as described on the cover page of this Base Policy. You can request another date if it is preferable to pay premiums on that date or have policy values accrue as of that date, by providing us with your signed request.

SECTION NINE - GENERAL PROVISIONS (Continued)

- 9.6 Calculation Of Age** When we refer to a person's age in this policy on a Policy Anniversary, we mean his or her age on the birthday that is nearest that date. At any other time, age means the age on the birthday nearest to the previous Policy Anniversary.
- 9.7 Misstatement Of Age Or Gender** If you misstate the age or gender of either Insured, we will adjust the Life Insurance Benefit, up or down, to reflect the correct age or gender. The amount of the Life Insurance Benefit will be the amount that would be purchased by the most recent mortality charge at the correct age and gender.
- If the age or gender of either Insured is misstated, we will adjust the Custom Guarantee Annual Threshold Value and Custom Guarantee Expiry Date to reflect the correct age or gender.
- 9.8 Assignment** While at least one of the Insureds is living, you can assign this Base Policy, or any interest in it. If you do this, your interest, and anyone else's is subject to that of the assignee. As owner, you still have the rights of ownership that have not been assigned.
- An assignee cannot change the owner or beneficiary of this Base Policy, and cannot elect or change an optional method of payment of proceeds. Any amount payable to the assignee will be paid in one sum.
- You must provide us with a copy of the assignment. We are not responsible for the validity of any assignment. Any assignment will be subject to any payment we make or other action we take before we record the assignment.
- 9.9 Protection Against Creditors** Payments we make under this Base Policy are, to the extent the law permits, exempt from the claims, attachments, or levies of any creditors.
- 9.10 Payments To Company** Any payment made to us by check or money order must be payable to New York Life Insurance and Annuity Corporation. When asked, we will provide a countersigned receipt, signed by our President or Secretary, for any premium paid to us.
- 9.11 Conformity With Law** This Base Policy is subject to all laws that apply. We reserve the right to make changes to this Base Policy or to adjust policy values to ensure this Base Policy at all times qualifies as life insurance for federal income tax purposes.
- 9.12 Dividends** This is a non-participating policy on which no dividends are payable.
- 9.13 Policy Report** Each policy year after the first, while this Base Policy is in effect and at least one of the Insureds is living, we will send a written report to you within 30 days after the Policy Anniversary. It will show, as of that Anniversary, the Cash Value, the Cash Surrender Value and the amount of any unpaid loan and accrued loan interest. This report will also give you any other facts required by state law or regulation.
- 9.14 Policy Split Option** You can exchange this Base Policy, without evidence of insurability, for separate life policies on each of the Insureds within 6 months after either of the following 2 dates:
- (1) The date a final divorce decree issued with respect to the marriage of the Insureds has been in effect for 6 months; or
 - (2) The effective date of a change in the federal tax law that results in a reduction in the unlimited federal estate tax marital deduction provision (Section 2056 of the Internal Revenue Code or its successor), or a reduction of at least 50% in the highest marginal federal estate tax rate in effect on the Policy Date of this Base Policy.

In addition, an exchange can be made for any other reason provided we agree.

You must request the exchange in writing and both Insureds must be living when we receive your request. Each new policy will be on a universal life plan that is being offered by us on the date of the exchange. The Policy Date and Issue Date of each new policy will be the date of the exchange.

SECTION NINE - GENERAL PROVISIONS (Continued)

Unless requested otherwise, the policyowner and beneficiary of each new policy will be the same as under this Base Policy. At the time each new policy is issued, an insurable interest must exist under applicable state law. If this Base Policy has been assigned, the assignment will apply to each new policy.

The Cost of Insurance for each new policy will be determined based on each Insured's age, gender and most recent class of risk under this Base Policy on the date of exchange.

The Base Policy Face Amount of each new policy will equal one half of the Base Policy Face Amount of this Base Policy, plus if we agree one half of the Face Amount of any second-to-die riders attached to the Base Policy, on the date of exchange. The benefits of any first to die riders that are in effect will not be included in this calculation. One half of the Cash Value of this Base Policy less any unpaid loan and accrued loan interest will be allocated as the initial premium for each new policy. The Life Insurance Benefit Option for each new policy will be the option in effect on the date of exchange.

9.15 Basis For Computation Of Policy Values All minimum Cash Surrender Values and maximum Cost of Insurance rates referred to in this Base Policy are based on the mortality table referred to in the Additional Policy Information section on Policy Data Page 2d. This table applies if the Insureds are in a standard or better class of risk. Separate scales of maximum Cost of Insurance rates apply to substandard classes of risk. Semi-continuous functions are used, with interest at the Guaranteed Interest Crediting Rate shown on the Interest and Loans For The Base Policy Data Page 2d. We have filed a statement with the insurance official in the state or district in which this policy is delivered that describes, in detail, how we compute policy benefits and Cash Surrender Values. These policy benefits and Cash Surrender Values are at least those required by the law of the state or district where the Base Policy was delivered.

9.16 Age 121 Policy Anniversary Beginning on the Policy Anniversary on which the younger Insured is or would have been age 121:

- If the Cash Value is less than the Life Insurance Benefit, it will be increased to equal the Life Insurance Benefit. The Life Insurance Benefit will not be changed.
- No further Planned or Unplanned Premiums will be allowed and no further monthly deductions will be made from the Cash Value.
- The Cash Value will continue to accumulate interest.
- Loan interest will continue to accrue at the current loan interest rate but no new policy loans can be requested.
- Partial surrenders and loan repayments will continue to be allowed.
- The policy can be surrendered for its Cash Surrender Value proceeds by submitting to us a signed written request that gives us the information we need.
- Any other riders attached to the Base Policy will also end.

This policy may not qualify as life insurance after the younger Insured's attained age 121 under federal tax law and the policy may be subject to adverse tax consequences. You should consult your Tax Advisor before choosing to continue the policy after age 121.

9.17 Other Exchange Privileges From time to time, at our option based on rules applicable to all policyowners in a class, we may offer you the right to exchange your policy for a new policy that was not available on the date your policy was issued.

9.18 Duty To Cooperate You, the applicant, the insured and the beneficiary under this policy all have a duty to cooperate with us in the underwriting of this policy and in the investigation of any claim for benefits under the policy, including any attached riders. The duty to cooperate includes but is not limited to providing signed authorizations, in the form we request and without time limitation, for the release of information concerning all representations made in connection with the application, including medical condition, and history and financial and employment information.

POLICY INFORMATION FOR CUSTOM GUARANTEE BENEFIT

CUSTOM GUARANTEE BENEFIT

THE CUSTOM GUARANTEE BENEFIT IS A BASE POLICY BENEFIT THAT, WHILE IN EFFECT, WILL ENSURE THAT YOUR COVERAGE WILL CONTINUE, AND NOT ENTER THE LATE PERIOD, AS DESCRIBED IN SECTION 4.7 OF THE BASE POLICY, WHEN THE POLICY CASH SURRENDER VALUE IS INSUFFICIENT TO COVER THE MONTHLY DEDUCTIONS. ON EACH MONTHLY DEDUCTION DAY PRIOR TO THE CUSTOM GUARANTEE EXPIRY DATE, THE CUSTOM GUARANTEE BENEFIT WILL REMAIN IN EFFECT, UNLESS:

- THE CUSTOM GUARANTEE VALUE IS LESS THAN OR EQUAL TO ZERO, OR
- THERE IS AN UNPAID LOAN ON THE BASE POLICY THAT IS CAUSING THE CASH SURRENDER VALUE OF THE BASE POLICY TO BE INSUFFICIENT TO COVER THE MONTHLY DEDUCTION CHARGE.

IF THE CUSTOM GUARANTEE BENEFIT IS NOT IN EFFECT, THE BASE POLICY WILL ENTER THE LATE PERIOD IF THE POLICY CASH SURRENDER VALUE IS INSUFFICIENT TO COVER THE MONTHLY DEDUCTIONS. IF THE BASE POLICY ENDS AFTER ENTERING THE LATE PERIOD, THE BASE POLICY CAN BE REINSTATED FOR UP TO 5 YEARS FROM THE DATE THE BASE POLICY ENDS AS DESCRIBED IN SECTION 4.8 OF THE BASE POLICY. HOWEVER, THE CUSTOM GUARANTEE BENEFIT CANNOT BE REINSTATED UNLESS THE BASE POLICY AND THE CUSTOM GUARANTEE BENEFIT ARE REINSTATED WITHIN ~~#22~~[60] DAYS OF THE BASE POLICY ENDING.

CUSTOM GUARANTEE EXPIRY DATE- ~~#26~~[02/14/2097]

YOUR CUSTOM GUARANTEE EXPIRY DATE IS ONLY VALID WHEN YOUR CUSTOM GUARANTEE BENEFIT IS IN EFFECT. THE CUSTOM GUARANTEE BENEFIT WILL BE IN EFFECT UNTIL THE CUSTOM GUARANTEE EXPIRY DATE SHOWN ABOVE IF YOU:

- PAY, ON THE POLICY DATE, THE FIRST PLANNED ~~#14~~[ANNUAL] PREMIUM AND ADDITIONAL FIRST YEAR PREMIUM,
- PAY SUBSEQUENT PLANNED ~~#14~~[ANNUAL] PREMIUMS WHEN DUE FOR THE ENTIRE PLANNED ~~#14~~[ANNUAL] PREMIUM PAYING PERIOD, AND
- MAKE NO BASE POLICY CHANGES.

THE CUSTOM GUARANTEE EXPIRY DATE IS CALCULATED AT ISSUE BASED ON THE AMOUNT AND INTERVALS OF PLANNED PREMIUMS SELECTED AND ANY ADDITIONAL FIRST YEAR PREMIUM TO BE PAID. IT WILL BE RECALCULATED IF THE FIRST PLANNED ~~#14~~[ANNUAL] PREMIUM AND ANY ADDITIONAL FIRST YEAR PREMIUM ARE NOT PAID ON THE POLICY DATE, OR IF SUBSEQUENT PLANNED ~~#14~~[ANNUAL] PREMIUMS ARE NOT PAID WHEN DUE OR IF POLICY CHANGES ARE MADE.

BASE POLICY CHANGES INCLUDE LOANS, PARTIAL SURRENDERS, REMOVAL OF ANY RIDERS, CLASS OF RISK CHANGES, CORRECTION OF ISSUE AGE OR GENDER, PAYMENT MODE CHANGES AND BASE POLICY FACE AMOUNT DECREASES. IN ADDITION, POLICY CHANGES MAY ALSO CHANGE THE ANNUAL THRESHOLD VALUE, DEFINED IN SECTION 7 OF THE BASE POLICY.

ADDITIONAL PREMIUMS MAY BE NECESSARY TO RESTORE THE CUSTOM GUARANTEE EXPIRY DATE TO THE DATE SHOWN IF YOU DO NOT PAY YOUR PREMIUMS OR IF YOU MAKE BASE POLICY CHANGES AS DESCRIBED ABOVE.

POLICY CHARGES FOR DETERMINING THE CUSTOM GUARANTEE VALUE

CUSTOM GUARANTEE VALUE

THE CUSTOM GUARANTEE VALUE IS A REFERENCE VALUE, WHICH IS CALCULATED IN A SIMILAR MANNER TO THE BASE POLICY'S CASH VALUE. IT IS USED TO DETERMINE IF THE CUSTOM GUARANTEE BENEFIT IS IN EFFECT, AND USES THE CHARGES DESCRIBED BELOW. THE CUSTOM GUARANTEE BENEFIT MONTHLY DEDUCTION CHARGE, DESCRIBED BELOW, WILL BE DEDUCTED FROM THE CUSTOM GUARANTEE VALUE ON EACH MONTHLY DEDUCTION DAY. IN THE FIRST POLICY YEAR, TABLE "A" GUARANTEED MAXIMUM MONTHLY COST OF INSURANCE RATES WILL BE DEDUCTED FROM THE CUSTOM GUARANTEE VALUE. ON EACH POLICY ANNIVERSARY THEREAFTER, IF THE CUSTOM GUARANTEE VALUE IS GREATER THAN ZERO, THEN TABLE "A" GUARANTEED MAXIMUM MONTHLY COST OF INSURANCE RATES WILL BE APPLICABLE. IF THE CUSTOM GUARANTEE VALUE IS EQUAL TO OR LESS THAN ZERO, THEN TABLE "B" GUARANTEED MAXIMUM MONTHLY COST OF INSURANCE RATES WILL BE APPLICABLE. ONCE THE TABLE IS DETERMINED ON THE POLICY ANNIVERSARY, THE TABLE WILL NOT CHANGE UNTIL THE NEXT POLICY ANNIVERSARY REGARDLESS OF THE CUSTOM GUARANTEE VALUE DURING THAT POLICY YEAR. REFER TO SECTION 7 FOR MORE INFORMATION.

ON EACH POLICY ANNIVERSARY, THE CUSTOM GUARANTEE VALUE IS ALSO COMPARED TO THE ANNUAL THRESHOLD VALUE FOR THE CORRESPONDING POLICY YEAR IN THE TABLE OF ANNUAL THRESHOLD VALUES FOR THE CUSTOM GUARANTEE BENEFIT SHOWN ON POLICY DATA PAGE 2-CGTV. IF THE CUSTOM GUARANTEE VALUE IS LESS THAN THE CORRESPONDING ANNUAL THRESHOLD VALUE, AN ADDITIONAL CUSTOM GUARANTEE BENEFIT MONTHLY PER \$1,000 OF BASE POLICY FACE AMOUNT CHARGE WILL BE DEDUCTED FROM THE CUSTOM GUARANTEE VALUE EACH MONTH UNTIL THE NEXT POLICY ANNIVERSARY WHEN THIS COMPARISON IS REPEATED. THIS CHARGE IS BASED ON THE INSURED'S ISSUE AGES, GENDERS AND CLASSES OF RISK, THE BASE POLICY FACE AMOUNT AND POLICY YEAR. REFER TO THE CUSTOM GUARANTEE BENEFIT MONTHLY DEDUCTION CHARGE INFORMATION BELOW FOR FURTHER DETAILS.

CUSTOM GUARANTEE BENEFIT MONTHLY DEDUCTION CHARGE

ON EACH MONTHLY DEDUCTION DAY, THE CUSTOM GUARANTEE BENEFIT MONTHLY DEDUCTION CHARGE THAT IS DEDUCTED FROM THE CUSTOM GUARANTEE VALUE CONSISTS OF:

- A MONTHLY COST OF INSURANCE AS DESCRIBED IN SECTION 7.7.
- A MONTHLY PER THOUSAND OF BASE POLICY FACE AMOUNT CHARGE, BASED ON THE INSURED'S ISSUE AGES, GENDERS AND CLASSES OF RISK, THE BASE POLICY FACE AMOUNT AND POLICY YEAR, NOT TO EXCEED THE CHARGES INDICATED IN THE TABLE ON POLICY DATA PAGE 2d-CG. THE POLICY YEARS FOR THIS CHARGE ARE MEASURED FROM THE POLICY DATE.
- THE MONTHLY COST FOR ANY RIDER (S) AS SHOWN ON THE DATA PAGES FOR SUCH RIDER (S).
- AN ADMINISTRATIVE FEE NOT TO EXCEED \$[10.00] PER MONTH
- AN ADDITIONAL CUSTOM GUARANTEE BENEFIT MONTHLY PER \$1,000 OF BASE POLICY FACE AMOUNT CHARGE IF REQUIRED AS DESCRIBED IN SECTION 7.9 OF THE BASE POLICY, BASED ON THE INSURED'S ISSUE AGES, GENDERS AND CLASSES OF RISK, THE BASE POLICY FACE AMOUNT AND POLICY YEAR NOT TO EXCEED THE CHARGES INDICATED IN THE TABLE ON POLICY DATA PAGE 2e-CG. THE POLICY YEARS FOR THIS CHARGE ARE MEASURED FROM THE POLICY DATE.
